

Robo Tech Valley

Idea Presentation (ROBO TECH OLYMPIAD 2025)

Only participants who wish to join virtually are required to submit an idea presentation video. Please submit your video using a Google Drive link in the submission form.

Those who will join physically , you don't need to submit videos .

Video Making Guidelines:

- Problem Statement (what problem is intended to solve)
- Beneficiary (who and how many people will be benefitted)
- Solution Statement (how the intended solution is achieved)
- Financial Viability (in the context of Bangladesh)
- Challenges (what are bottlenecks)
- Future Expansion (how the solution will be evolved if any)
- May have supportive graphics, illustrations, and video.
- Videos should not more than 3 minutes.

Marks:

- Problem Statement – 15%
- Beneficiary -15%
- Solution Statement – 20%
- Financial Viability – 15%
- Challenges - 15%
- Future Expansion – 5% (how the solution will be evolved if any)
- May have supportive graphics, illustrations or video – 5%
- Poster Presentation Quality – 10%

On the day of the event, you must come to our venue with your Idea Poster. It's time to present your poster. Poster Size 3*2 Feet. You need to add the Olympiad Name & The Organizers logo in the poster.

Note: Any decision taken by judges is final

Level 4, House 26/1, Rupnagar R/A, Mirpur-2, Dhaka 1216
